

## Product Datasheet

### Bovine a1AGP ELISA Kit (orb437612)

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | Bovine Alpha-1-Acid Glycoprotein (a1AGP)<br>Sandwich ELISA KitReady to Use: Pre-diluted<br>detection reage... |
| <b>Reactivity</b>        | Bovine                                                                                                        |
| <b>Range</b>             | 15.625-1000ng/mL                                                                                              |
| <b>Form/Appearance</b>   | Traditional                                                                                                   |
| <b>Storage</b>           | All reagents should be kept according to the<br>instructions on the packaging upon receipt.                   |
| <b>Note</b>              | For research use only                                                                                         |
| <b>Application notes</b> | serum, plasma, urine and other biological<br>fluids.                                                          |
| <b>Sample Types</b>      | serum, plasma, urine and other biological<br>fluids.                                                          |
| <b>Uniprot ID</b>        | <b>Q3SZR3</b>                                                                                                 |
| <b>Sensitivity</b>       | 5.5ng/mL                                                                                                      |
| <b>Entrez</b>            | <b>497200</b>                                                                                                 |
| <b>Expiration Date</b>   | Please enquire.                                                                                               |
