### Guinea pig ECF ELISA Kit (orb439243)

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | Guinea pig Eosinophil Chemotactic Factor (ECF) Sandwich ELISA Kit                                       |
| <b>Reactivity</b>        | Guinea pig                                                                                              |
| <b>Range</b>             | 15.625-1000pg/mL                                                                                        |
| <b>Form/Appearance</b>   | Traditional                                                                                             |
| <b>Storage</b>           | All reagents should be kept according to the instructions on the packaging upon receipt.                |
| <b>Note</b>              | For research use only                                                                                   |
| <b>Application notes</b> | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids.   |
| <b>Sample Types</b>      | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids. |
| <b>Uniprot ID</b>        | <b>G8XRI2</b>                                                                                           |
| <b>Sensitivity</b>       | 6.2pg/mL                                                                                                |
| <b>Entrez</b>            | <b>100038010</b>                                                                                        |
| <b>Expiration Date</b>   | Please enquire.                                                                                         |
