

## Product Datasheet

### CLEC9A antibody (orb45077)

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Description</b>         | Rabbit polyclonal antibody to CLEC9A                                             |
| <b>Species/Host</b>        | Rabbit                                                                           |
| <b>Reactivity</b>          | Human, Mouse                                                                     |
| <b>Conjugation</b>         | Unconjugated                                                                     |
| <b>Tested Applications</b> | ELISA, IF, WB                                                                    |
| <b>Immunogen</b>           | Recombinant Human C-type lectin domain family 9 member A protein (103-214AA)     |
| <b>Target</b>              | CLEC9A                                                                           |
| <b>Preservatives</b>       | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4 |
| <b>Form/Appearance</b>     | Liquid                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| <b>Note</b>                | For research use only                                                            |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Uniprot ID</b>          | <b>Q6UXN8</b>                                                                    |
| <b>Dilution Range</b>      | WB:1:1000-5000, IF:1:50-200                                                      |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                  |
