

## Product Datasheet

### EBI-2511 (orb525775)

|                        |                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | EBI-2511 is a highly potent and orally active EZH2 inhibitor for the treatment of Non-Hodgkin's Ly... |
| <b>Note</b>            | For research use only                                                                                 |
| <b>Formula</b>         | $C_{34}H_{48}N_4O_4$                                                                                  |
| <b>MW</b>              | 576.769329071045                                                                                      |
| <b>CAS Number</b>      | [2098546-05-3]                                                                                        |
| <b>SMILES</b>          | <chem>O1C2=CC(N(CC)C3CCOCC3)=C(CC)C(C(NCC3=C(C)C=C(C)NC3=O)=O)=C2C=C1C1CCN(C(C)C)CC1</chem>           |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                       |
