

Product Datasheet

The metabolite of furazolidone -OVA conjugate (orb527359)

Description	The metabolite of furazolidone -OVA conjugate
Tested Applications	ELISA, GICA, ICA
Preservatives	0.01mol/L, pH 7.4 PBS
Form/Appearance	Dry powder
Storage	Short-term store at 4°C, Long-term store at -20°C. Avoid repeated freeze
Note	For research use only
Application notes	Food Safety Small Molecule Antigen
Source	Ovalbumin (OVA)
CAS Number	67-45-8
Hazard Information	For research use only
Expiration Date	12 months from date of receipt.
