

Product Datasheet

LE Agarose (orb533356)

Description	LE Agarose is a general use agarose for routine nucleic acid analytical and preparative electrophore...
Form/Appearance	fine homogeneous powder; Color: white
Storage	store at ambient temperature
Note	For research use only
Application notes	Nucleic acid analytical and preparative electrophoresis; Blotting; Protein electrophoresis such as radial immunodiffusion.
Expiration Date	12 months from date of receipt.
