

CLOCK antibody (orb538943)

Western blot analysis of CLOUT expression in various tissues. The blot shows bands for CLOUT in MC17, BT-20, NCI-H460, HepG2, and iPPC-2 cell lines, as well as in Mouse lung and Mouse brain tissues. Molecular weight markers are indicated on the left (170kDa, 130kDa, 100kDa, 70kDa, 55kDa, 40kDa). A band labeled 'CLOUT' is indicated on the right.
