

## Product Datasheet

### Human IL8Rb ELISA Kit (Ready to Use) (orb548835)

|                          |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | Human Interleukin 8 Receptor Beta (IL8Rb) Sandwich ELISA KitReady to Use: Pre-diluted detection reagent...        |
| <b>Reactivity</b>        | Human                                                                                                             |
| <b>Range</b>             | 0.781-50ng/mL                                                                                                     |
| <b>Form/Appearance</b>   | Ready to Use                                                                                                      |
| <b>Storage</b>           | All reagents should be stored at -20°C upon receipt                                                               |
| <b>Note</b>              | For research use only                                                                                             |
| <b>Application notes</b> | Pre-diluted detection reagents and enhanced stabilitytissue homogenates, cell lysates or other biological fluids. |
| <b>Sample Types</b>      | tissue homogenates, cell lysates and other biological fluids.                                                     |
| <b>Uniprot ID</b>        | <b>P25025</b>                                                                                                     |
| <b>Sensitivity</b>       | 0.25ng/mL                                                                                                         |
| <b>Entrez</b>            | <b>3579</b>                                                                                                       |
| <b>Expiration Date</b>   | Please enquire.                                                                                                   |
