

## Product Datasheet

### Human PSMD4 ELISA Kit (orb548871)

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| <b>Description</b>       | Human Proteasome 26S Subunit, Non ATPase 4 (PSMD4) Sandwich ELISA Kit                    |
| <b>Reactivity</b>        | Human                                                                                    |
| <b>Range</b>             | 78.1-5000pg/ml                                                                           |
| <b>Form/Appearance</b>   | Traditional                                                                              |
| <b>Storage</b>           | All reagents should be kept according to the instructions on the packaging upon receipt. |
| <b>Note</b>              | For research use only                                                                    |
| <b>Application notes</b> | serum, plasma, tissue homogenates or other biological fluids.                            |
| <b>Sample Types</b>      | serum, plasma, tissue homogenates and other biological fluids.                           |
| <b>Sensitivity</b>       | 29.8pg/mL                                                                                |
| <b>Expiration Date</b>   | Please enquire.                                                                          |
