

## Product Datasheet

### Human UBE2I ELISA Kit (Ready to Use) (orb552730)

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | Human Ubiquitin Conjugating Enzyme<br>E2I (UBE2I) Sandwich ELISA KitReady to<br>Use: Pre-diluted detection...           |
| <b>Reactivity</b>        | Human                                                                                                                   |
| <b>Range</b>             | 0.156-10ng/mL                                                                                                           |
| <b>Form/Appearance</b>   | Ready to Use                                                                                                            |
| <b>Storage</b>           | All reagents should be stored at -20°C<br>upon receipt                                                                  |
| <b>Note</b>              | For research use only                                                                                                   |
| <b>Application notes</b> | Pre-diluted detection reagents and<br>enhanced stabilitytissue homogenates,<br>cell lysates or other biological fluids. |
| <b>Sample Types</b>      | tissue homogenates, cell lysates and<br>other biological fluids.                                                        |
| <b>Uniprot ID</b>        | <b>P63279</b>                                                                                                           |
| <b>Sensitivity</b>       | 0.053ng/mL                                                                                                              |
| <b>Entrez</b>            | <b>7329</b>                                                                                                             |
| <b>Expiration Date</b>   | Please enquire.                                                                                                         |
