

## Product Datasheet

### Mouse FSH ELISA Kit (Ready to Use) (orb553382)

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | Mouse Follicle Stimulating Hormone (FSH)<br>Sandwich ELISA KitReady to Use: Pre-diluted<br>detection reage... |
| <b>Reactivity</b>        | Mouse                                                                                                         |
| <b>Range</b>             | 3.12-200ng/mL                                                                                                 |
| <b>Form/Appearance</b>   | Ready to Use                                                                                                  |
| <b>Storage</b>           | All reagents should be stored at -20°C upon receipt                                                           |
| <b>Note</b>              | For research use only                                                                                         |
| <b>Application notes</b> | Pre-diluted detection reagents and enhanced<br>stabilityserum, plasma or other biological fluids.             |
| <b>Sample Types</b>      | serum, plasma and other biological fluids.                                                                    |
| <b>Uniprot ID</b>        | <b>Q60687</b>                                                                                                 |
| <b>Sensitivity</b>       | 1.49ng/mL                                                                                                     |
| <b>Entrez</b>            | <b>14308</b>                                                                                                  |
| <b>Expiration Date</b>   | Please enquire.                                                                                               |
