

## Product Datasheet

### SAR125844 (orb573075)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | SAR125844 is inhibitor of the proto-oncogene c-Met (also known as hepatocyte growth factor receptor ... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{25}H_{23}FN_8O_2S_2$                                                                                |
| <b>MW</b>              | 550.63                                                                                                  |
| <b>CAS Number</b>      | [1116743-46-4]                                                                                          |
| <b>SMILES</b>          | <chem>O=C(NCCN1CCOCC1)NC2=NC3=CC=C(SC4=NN=C5C=CC(C6=CC=C(F)C=C6)=NN54)C=C3S2</chem>                     |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
