| <b>Description</b>       | Recombinant Human Fatty acid synthase(FASN),partial                                                                                                                                                                                                                                                                                                                         |
| <b>Endotoxins</b>        | Not test.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Preservatives</b>     | If the delivery form is liquid, the default storage buffer is Tris/PBS-based buffer, 5%-50% glycerol. If the delivery form is lyophilized powder, the buffer before lyophilization is Tris/PBS-based buffer, 6% Trehalose, pH 8.0.                                                                                                                                          |
| <b>Form/Appearance</b>   | Liquid or Lyophilized powder                                                                                                                                                                                                                                                                                                                                                |
| <b>Storage</b>           | The shelf life is related to many factors, storage state, buffer ingredients, storage temperature and the stability of the protein itself. Generally, the shelf life of liquid form is 6 months at -20°C/-80°C. The shelf life of lyophilized form is 12 months at -20°C/-80°C.                                                                                             |
| <b>Tag</b>               | N-terminal 6xHis-tagged                                                                                                                                                                                                                                                                                                                                                     |
| <b>Note</b>              | For research use only                                                                                                                                                                                                                                                                                                                                                       |
| <b>Application notes</b> | Partial                                                                                                                                                                                                                                                                                                                                                                     |
