

## Product Datasheet

### FTBMT (orb691953)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | FTBMT is a novel selective GPR52 agonist of GPR52, increases intracellular cAMP levels in CHO cells ... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{19}H_{16}F_4N_4O$                                                                                   |
| <b>MW</b>              | 392.35                                                                                                  |
| <b>CAS Number</b>      | [1358575-02-6]                                                                                          |
| <b>SMILES</b>          | <chem>C(N)(=O)C1=CC=C(N2C(C)=NC(CC3=CC(C(F)(F)F)=CC(F)=C3)=N2)C=C1C</chem>                              |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
