

## Product Datasheet

### LY-3381916 (orb691981)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | LY-3381916, also known as IDO1-IN-5, is a potent, selective and brain penetrated DO1 inhibitor. LY33... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{23}H_{25}FN_2O_3$                                                                                   |
| <b>MW</b>              | 396.4624                                                                                                |
| <b>CAS Number</b>      | [2166616-75-5]                                                                                          |
| <b>SMILES</b>          | <chem>FC1=CC=C(C(N[C@H](C)C2=CC=C(N(C(C3CCOCC3)=O)CC4)C4=C2)=O)C=C1</chem>                              |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
