

## Product Datasheet

# **3R-2,3-Dihydro-5,7-dihydroxy-3-[(4-hydroxyphenyl)methyl]-4H-1-benzopyran-4-one (orb702647)**

|                          |                                                                                |
|--------------------------|--------------------------------------------------------------------------------|
| <b>Description</b>       | 3R-2,3-Dihydro-5,7-dihydroxy-3-[(4-hydroxyphenyl)methyl]-4H-1-benzopyran-4-one |
| <b>Note</b>              | For research use only                                                          |
| <b>Application notes</b> | Grade: NC                                                                      |
| <b>Purity</b>            | 98.0% $\geq$ HPLC                                                              |
| <b>CAS Number</b>        | 849727-88-4                                                                    |
| <b>Expiration Date</b>   | 12 months from date of receipt.                                                |
