# Glycogen Synthase Microplate Assay Kit (orb707344)

|                            |                                                                                                                                                                            |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Detection and Quantification of Glycogen Synthase Activity.                                                                                                                |
| <b>Reactivity</b>          | All                                                                                                                                                                        |
| <b>Range</b>               | 4 µmol/L - 400 µmol/L                                                                                                                                                      |
| <b>Tested Applications</b> | FA                                                                                                                                                                         |
| <b>Storage</b>             | Shipped and store at 4°C for 6 months.                                                                                                                                     |
| <b>Note</b>                | For research use only                                                                                                                                                      |
| <b>Application notes</b>   | Detection Method: Colorimetric, Sample Types: Serum, Plasma, Tissue extracts, Cell lysate, Cell culture media, Other biological fluids, Platform: Microplate reader 340 nm |
| <b>Sample Types</b>        | Serum, Plasma, Tissue extracts, Cell lysate, Cell culture media, Other biological fluids                                                                                   |
| <b>CAS Number</b>          | 9014-56-6                                                                                                                                                                  |
| <b>Expiration Date</b>     | Please enquire.                                                                                                                                                            |
