

## Product Datasheet

### Rat [Tyr1]-pTH (1-34) peptide (orb71242)

|                         |                                                                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Rat [Tyr1]-pTH (1-34) peptide                                                                                                           |
| <b>Form/Appearance</b>  | White lyophilized powder                                                                                                                |
| <b>Storage</b>          | Keep in cool and dry place                                                                                                              |
| <b>Note</b>             | For research use only                                                                                                                   |
| <b>Protein Sequence</b> | Tyr-Val-Ser-Glu-Ile-Gln-Leu-Met-His-Asn-Leu-Gly-Lys-His-Leu-Ala-Ser-Val-Glu-Arg-Met-Gln-Trp-Leu-Arg-Lys-Lys-Leu-Gln-Asp-Val-His-Asn-Phe |
| <b>Purity</b>           | > 95%                                                                                                                                   |
| <b>Expiration Date</b>  | 12 months from date of receipt.                                                                                                         |
