

## Product Datasheet

### Amyloid beta-Protein (1-40) Biotin peptide (orb71419)

|                         |                                                                                                                                                                        |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Amyloid beta-Protein (1-40) Biotin peptide                                                                                                                             |
| <b>Form/Appearance</b>  | White lyophilized powder                                                                                                                                               |
| <b>Storage</b>          | Keep in cool and dry place                                                                                                                                             |
| <b>Note</b>             | For research use only                                                                                                                                                  |
| <b>Protein Sequence</b> | Biotin-Asp-Ala-Glu-Phe-Arg-His-Asp-Ser-Gly-Tyr-Glu-Val-His-His-Gln-Lys-Leu-Val-Phe-Phe-Ala-Glu-Asp-Val-Gly-Ser-Asn-Lys-Gly-Ala-Ile-Ile-Gly-Leu-Met-Val-Gly-Gly-Val-Val |
| <b>Purity</b>           | > 95%                                                                                                                                                                  |
| <b>Expiration Date</b>  | 12 months from date of receipt.                                                                                                                                        |
