

## Product Datasheet

### OR5R1 antibody (orb774588)

|                            |                                                                       |
|----------------------------|-----------------------------------------------------------------------|
| <b>Description</b>         | Rabbit polyclonal antibody to OR5R1                                   |
| <b>Species/Host</b>        | Rabbit                                                                |
| <b>Reactivity</b>          | Human                                                                 |
| <b>Conjugation</b>         | Unconjugated                                                          |
| <b>Tested Applications</b> | ELISA, WB                                                             |
| <b>Immunogen</b>           | Synthesized peptide derived from human protein . at AA range: 200-280 |
| <b>Preservatives</b>       | PBS with 0.02% sodium azide and 50% glycerol pH 7.4.                  |
| <b>Concentration</b>       | 1 mg/ml                                                               |
| <b>Storage</b>             | Store at -20°C. Avoid repeated freeze-thaw cycles.                    |
| <b>Note</b>                | For research use only                                                 |
| <b>Isotype</b>             | IgG                                                                   |
| <b>Clonality</b>           | Polyclonal                                                            |
| <b>MW</b>                  | 35                                                                    |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                       |
