

## Product Datasheet

### Anti-phospho-FAK(Ser732)/PE-Cy3 (orb907100)

|                            |                                                                                                            |
|----------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-phospho-FAK(Ser732)/PE-Cy3                                                                            |
| <b>Species/Host</b>        | Rabbit                                                                                                     |
| <b>Reactivity</b>          | Human, Mouse                                                                                               |
| <b>Conjugation</b>         | PE/Cy3                                                                                                     |
| <b>Tested Applications</b> | FC, ICC                                                                                                    |
| <b>Immunogen</b>           | KLH conjugated Synthesised phosphopeptide derived from human FAK around the phosphorylation site of Tyr732 |
| <b>Target</b>              | phospho-FAK (Ser732)                                                                                       |
| <b>Preservatives</b>       | 0.01M TBS(pH7.4) with 1% rAlbumin, 0.03% Proclin300 and 50% Glycerol.                                      |
| <b>Form/Appearance</b>     | Liquid                                                                                                     |
| <b>Concentration</b>       | 1mg/ml                                                                                                     |
| <b>Storage</b>             | Shipped at 4°C. Store at -20 °C for one year. Avoid repeated freeze/thaw cycles.                           |
| <b>Note</b>                | For research use only                                                                                      |
| <b>Isotype</b>             | IgG                                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                                 |
| <b>Uniprot ID</b>          | <a href="#">Q05397</a>                                                                                     |
| <b>Dilution Range</b>      | Flow-Cyt=1µg /test,ICC=1:100                                                                               |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                            |
