

## Product Datasheet

### MAP3K2 Antibody (orb97379)

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| <b>Description</b>         | Mouse monoclonal antibody to MAP3K2                                 |
| <b>Species/Host</b>        | Mouse                                                               |
| <b>Reactivity</b>          | Human                                                               |
| <b>Conjugation</b>         | Unconjugated                                                        |
| <b>Tested Applications</b> | ELISA, ICC                                                          |
| <b>Immunogen</b>           | Purified recombinant fragment of human MAP3K2 expressed in E. Coli. |
| <b>Preservatives</b>       | Ascitic fluid containing 0.03% sodium azide.                        |
| <b>Concentration</b>       | 1mg/ml                                                              |
| <b>Storage</b>             | 4°C; -20°C for long term storage. Avoid freeze/thaw cycles.         |
| <b>Note</b>                | For research use only                                               |
| <b>Isotype</b>             | Mouse IgG1                                                          |
| <b>Clonality</b>           | Monoclonal                                                          |
| <b>MW</b>                  | 70kDa                                                               |
| <b>Entrez</b>              | <a href="#">10746</a>                                               |
| <b>Dilution Range</b>      | ICC: 1/200 - 1/1000; ELISA: 1/10000                                 |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                     |
