| <b>Catalog Number</b>  | orb1344543                                                                                                                                                                                                                                               |
| <b>Description</b>     | Transient overexpression lysate of fms-related tyrosine kinase 3 ligand (FLT3LG)                                                                                                                                                                         |
| <b>Target</b>          | Flt3 ligand                                                                                                                                                                                                                                              |
| <b>Storage</b>         | Ship with dry ice. Upon receiving, store the sample at -80°C. Avoid repeated freeze-thaw cycles. Lysate samples can be diluted with 2xSDS Sample Buffer provided. Lysate samples are stable for 12 months from the date of receipt when stored at -80°C. |
| <b>Tag</b>             | C-Myc/DDK                                                                                                                                                                                                                                                |
| <b>Note</b>            | For research use only                                                                                                                                                                                                                                    |
| <b>Source</b>          | Human                                                                                                                                                                                                                                                    |
| <b>MW</b>              | 26.4 kDa                                                                                                                                                                                                                                                 |
| <b>Uniprot ID</b>      | <b>P49771</b>                                                                                                                                                                                                                                            |
| <b>NCBI</b>            | <b>NM_001459, NP_001450</b>                                                                                                                                                                                                                              |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                                                                                                                                                                           |
