

## Product Datasheet

### VIM Polyclonal Antibody (orb1411830)

|                            |                                                                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Rabbit polyclonal antibody to VIM.                                                                                                                               |
| <b>Species/Host</b>        | Rabbit                                                                                                                                                           |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                                                                |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                     |
| <b>Tested Applications</b> | IF, IHC-P, WB                                                                                                                                                    |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles                           |
| <b>Note</b>                | For research use only                                                                                                                                            |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                       |
| <b>Uniprot ID</b>          | <b>P08670</b>                                                                                                                                                    |
| <b>Dilution Range</b>      | WB: Western Blot: 1/500 - 1/2000. Immunohistochemistry: 1/100 - 1/300. Immunofluorescence: 1/200 - 1/1000. ELISA: 1/10000. Not yet tested in other applications. |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                                                                  |
