

## Product Datasheet

### Tak1 Polyclonal Antibody (orb1412033)

|                            |                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>      | orb1412033                                                                                                                                |
| <b>Category</b>            | Antibodies                                                                                                                                |
| <b>Description</b>         | Rabbit polyclonal antibody to Tak1.                                                                                                       |
| <b>Clonality</b>           | Polyclonal                                                                                                                                |
| <b>Species/Host</b>        | Rabbit                                                                                                                                    |
| <b>Conjugation</b>         | Unconjugated                                                                                                                              |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                                         |
| <b>UniProt ID</b>          | <b>O43318</b>                                                                                                                             |
| <b>Tested applications</b> | IF, IHC-P, WB                                                                                                                             |
| <b>Dilution range</b>      | IF: IF: 1:50-200 Western Blot: 1/500 - 1/2000. Immunohistochemistry: 1/100 - 1/300. ELISA: 1/40000. Not yet tested in other applications. |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles    |
| <b>Note</b>                | For research use only                                                                                                                     |
