

## Product Datasheet

### IL22RA1 Antibody Blocking peptide (orb1451966)

|                        |                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb1451966                                                                                                                           |
| <b>Category</b>        | Proteins                                                                                                                             |
| <b>Description</b>     | IL22RA1 Antibody Blocking peptide                                                                                                    |
| <b>Form/Appearance</b> | Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed. |
| <b>UniProt ID</b>      | <b>Q8N6P7</b>                                                                                                                        |
| <b>Note</b>            | For research use only                                                                                                                |
