

## Product Datasheet

### Rabbit anti-VISTA Recombinant Monoclonal Antibody (orb1519913)

|                             |                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>       | orb1519913                                                                                                           |
| <b>Category</b>             | Antibodies                                                                                                           |
| <b>Description</b>          | VISTA Antibody                                                                                                       |
| <b>Target</b>               | VISTA                                                                                                                |
| <b>Clonality</b>            | Recombinant                                                                                                          |
| <b>Species/Host</b>         | Rabbit                                                                                                               |
| <b>Conjugation</b>          | Unconjugated                                                                                                         |
| <b>Reactivity</b>           | Human                                                                                                                |
| <b>Form/Appearance</b>      | Whole IgG                                                                                                            |
| <b>Concentration</b>        | 1000 µg/ml                                                                                                           |
| <b>Buffer/Preservatives</b> | Borate Buffered Saline (BBS) pH 8.2 with 0.09% Sodium Azide, rAlbumin-Free                                           |
| <b>Immunogen</b>            | Between 261 and C-terminus                                                                                           |
| <b>UniProt ID</b>           | <b>Q9H7M9</b>                                                                                                        |
| <b>Tested applications</b>  | FC, ICC, IHC, IP, WB                                                                                                 |
| <b>Dilution range</b>       | WB: , IP: , IHC: , ICC: , IHC-IF: , ICC-IF: , ChIP: , ChIP-chip: , ChIP-PCR: , ChIP-Seq: , ELISA: , IEP: , DD: , IF: |
| <b>Application notes</b>    | Format: Whole IgG                                                                                                    |
