

## Product Datasheet

### Rabbit anti-BRD2 Recombinant Monoclonal Antibody (orb1519983)

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| <b>Description</b>         | BRD2 Antibody                                                                 |
| <b>Species/Host</b>        | Rabbit                                                                        |
| <b>Reactivity</b>          | Human                                                                         |
| <b>Conjugation</b>         | Unconjugated                                                                  |
| <b>Tested Applications</b> | FC, IP, WB                                                                    |
| <b>Immunogen</b>           | Between 700 and 750                                                           |
| <b>Target</b>              | BRD2                                                                          |
| <b>Preservatives</b>       | Borate Buffered Saline (BBS) pH 8.2 with 0.1% rAlbumin and 0.09% Sodium Azide |
| <b>Form/Appearance</b>     | Whole IgG                                                                     |
| <b>Concentration</b>       | 40 µg/ml                                                                      |
| <b>Storage</b>             | 2 - 8°C                                                                       |
| <b>Note</b>                | For research use only                                                         |
| <b>Application notes</b>   | Format: Whole IgG                                                             |
| <b>Clonality</b>           | Recombinant                                                                   |
| <b>Clone Number</b>        | BL-167-2A2                                                                    |
| <b>Antibody Type</b>       | Primary Antibody                                                              |
| <b>Uniprot ID</b>          | <b>P25440</b>                                                                 |
