

## Product Datasheet

### PGC1 alpha / beta Polyclonal Antibody APC Conjugated (orb1539750)

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| <b>Catalog Number</b>      | orb1539750                                                                      |
| <b>Description</b>         | PGC1 alpha / beta Polyclonal Antibody APC Conjugated                            |
| <b>Species/Host</b>        | Rabbit                                                                          |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                               |
| <b>Conjugation</b>         | APC                                                                             |
| <b>Tested Applications</b> | FC, IF                                                                          |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles. |
| <b>Note</b>                | For research use only                                                           |
| <b>Clonality</b>           | Polyclonal                                                                      |
| <b>Antibody Type</b>       | Primary Antibody                                                                |
| <b>Source</b>              | Rabbit                                                                          |
| <b>Uniprot ID</b>          | <b>Q9UBK2</b>                                                                   |
| <b>Dilution Range</b>      | Flow-Cyt=1:50-200 IF=1:50-200                                                   |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                 |
