

## Product Datasheet

# HER2 receptor Mouse Monoclonal Antibody HRP Conjugated(1A4) (orb1541718)

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| <b>Description</b>         | HER2 receptor Mouse Monoclonal Antibody HRP Conjugated(1A4) |
| <b>Species/Host</b>        | Mouse                                                       |
| <b>Reactivity</b>          | Human                                                       |
| <b>Conjugation</b>         | HRP                                                         |
| <b>Tested Applications</b> | IHC-P                                                       |
| <b>Storage</b>             | Store at 4°C for 12 months.                                 |
| <b>Note</b>                | For research use only                                       |
| <b>Clonality</b>           | Monoclonal                                                  |
| <b>Antibody Type</b>       | Primary Antibody                                            |
| <b>Source</b>              | Mouse                                                       |
| <b>Uniprot ID</b>          | <b>P04626</b>                                               |
| <b>Dilution Range</b>      | Immunohistochemistry1:100-500                               |
| <b>Expiration Date</b>     | 12 months from date of receipt.                             |
