

## Product Datasheet

# Recombinant Mouse IL-15RA/IL-15 R alpha Protein, Fc His Tag (orb1550830)

|                        |                                                                                                                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Recombinant Mouse IL-15RA/IL-15 R alpha Protein, Fc His Tag                                                                                                                                                                                           |
| <b>Reactivity</b>      | Mouse                                                                                                                                                                                                                                                 |
| <b>Endotoxins</b>      | > 95% by SDS-PAGE.                                                                                                                                                                                                                                    |
| <b>Target</b>          | IL15RA                                                                                                                                                                                                                                                |
| <b>Note</b>            | For research use only                                                                                                                                                                                                                                 |
| <b>Purity</b>          | > 95% by SDS-PAGE.                                                                                                                                                                                                                                    |
| <b>Source</b>          | Recombinant Mouse IL-15RA/IL-15 R alpha Protein is produced by Human Cells expression system. The target protein is expressed with sequence (Gly33-Lys205) of mouse IL-15RA/IL-15 R alpha (Accession #Q60819) fused with an Fc tag at the C-terminus. |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                                                                                                                                                                        |
