| Catalog Number | orb1706258                                                                 |
| Category       | Small Molecules                                                            |
| Description    | Benzophenonetetracarboxylic acid                                           |
| Target         | Others                                                                     |
| Purity         | 97.39%                                                                     |
| MW             | 358.26                                                                     |
| CAS Number     | 2479-49-4                                                                  |
| Formula        | $C_{17}H_{10}O_9$                                                          |
| SMILES         | <chem>C(=O)(C1=CC(C(O)=O)=C(C(O)=O)C=C1)C2=CC(C(O)=O)=C(C(O)=O)C=C2</chem> |
| Storage        | -20°C                                                                      |
