| <b>Catalog Number</b>      | orb1933414                                                                                                                                                                                |
| <b>Category</b>            | Antibodies                                                                                                                                                                                |
| <b>Description</b>         | ATG10 Antibody (N-term)                                                                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                |
| <b>Species/Host</b>        | Rabbit                                                                                                                                                                                    |
| <b>Isotype</b>             | Rabbit IgG                                                                                                                                                                                |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                              |
| <b>Reactivity</b>          | Human                                                                                                                                                                                     |
| <b>Form/Appearance</b>     | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is prepared by Saturated Ammonium Sulfate (SAS) precipitation followed by dialysis against PBS. |
| <b>UniProt ID</b>          | <b>Q9H0Y0</b>                                                                                                                                                                             |
| <b>MW</b>                  | 25279 Da                                                                                                                                                                                  |
| <b>Tested applications</b> | IHC-P                                                                                                                                                                                     |
| <b>Dilution range</b>      | IHC-P - 1:100-500                                                                                                                                                                         |
| <b>Antibody Type</b>       | Primary Antibody                                                                                                                                                                          |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles                                                    |
| <b>Note</b>                | For research use only                                                                                                                                                                     |

Formalin-fixed and paraffin-embedded human cancer tissue reacted with the primary antibody, which was peroxidase-conjugated to the secondary antibody, followed by AEC staining. This data demonstrates the use of this antibody for immunohistochemistry; clinical relevance has not been evaluated. BC = breast carcinoma; HC = hepatocarcinoma.
