

## Product Datasheet

### 1-Aminocyclobutanecarboxylic acid (orb1940385)

|                 |                                                                                                                                       |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number  | orb1940385                                                                                                                            |
| Description     | 1-Aminocyclobutanecarboxylic acid is a NMDA receptor partial agonist. 1-Aminocyclobutanecarboxylic acid act at the glycine site, NR1. |
| Target          | isoprenylcysteine carboxylmethyltransferase (ICMT)                                                                                    |
| Storage         | Storage temperature: -20°C. Stability: ≥ 2 years                                                                                      |
| Note            | For research use only                                                                                                                 |
| Formula         | $C_5H_9NO_2$                                                                                                                          |
| Purity          | > 98% (HPLC)                                                                                                                          |
| MW              | 115.1                                                                                                                                 |
| CAS Number      | 22264-50-2                                                                                                                            |
| Expiration Date | 12 months from date of receipt.                                                                                                       |
