

## Product Datasheet

# Human anti-SARS-CoV2(S-RBD)(XBB.1)IgG ELISA Kit (orb1952892)

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb1952892                                                                       |
| <b>Category</b>        | Assays and Kits                                                                  |
| <b>Description</b>     | Human anti-SARS-CoV2(S-RBD)(XBB.1)IgG ELISA Kit                                  |
| <b>Target</b>          | anti-SARS-CoV2                                                                   |
| <b>Reactivity</b>      | Human                                                                            |
| <b>Assay Type</b>      | Sandwich                                                                         |
| <b>Assay Time</b>      | 4 hours                                                                          |
| <b>Range</b>           | 1.563-100ng/ml                                                                   |
| <b>Sensitivity</b>     | 0.938ng/ml                                                                       |
| <b>Sample Types</b>    | Serum,Plasma,Cell Culture Supernatant,Cell or tissue lysate,Other liquid samples |
| <b>Storage</b>         | 2 - 8 °C for 12 months                                                           |
| <b>Note</b>            | For research use only                                                            |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                   |
