### Lokivetmab Antibody (orb1980627)

|                        |                                                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb1980627                                                                                                                                                                 |
| <b>Description</b>     | Lokivetmab, an Anti-Canine IL31 Recombinant Antibody, is a monoclonal antibody targeting canine IL-31, utilized in research related to atopic dermatitis (AD) in dogs [1]. |
| <b>Conjugation</b>     | Unconjugated                                                                                                                                                               |
| <b>Target</b>          | Lokivetmab                                                                                                                                                                 |
| <b>Storage</b>         | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.                                    |
| <b>Note</b>            | For research use only                                                                                                                                                      |
| <b>Clonality</b>       | Recombinant                                                                                                                                                                |
| <b>Antibody Type</b>   | Recombinant Antibody                                                                                                                                                       |
| <b>Purity</b>          | 98.00%                                                                                                                                                                     |
| <b>CAS Number</b>      | 1533403-95-0                                                                                                                                                               |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                                                            |
