

## Product Datasheet

### Dehydrobotrydienol (orb2279421)

|                        |                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Dehydrobotrydienol is a natural product that can be used as a reference standard. The CAS number of Dehydrobotrydienol is 258857-20-4. |
| <b>Storage</b>         | -20°C                                                                                                                                  |
| <b>Note</b>            | For research use only                                                                                                                  |
| <b>Formula</b>         | $C_{15}H_{22}O_2$                                                                                                                      |
| <b>Purity</b>          | 98.00%                                                                                                                                 |
| <b>MW</b>              | 234.339                                                                                                                                |
| <b>CAS Number</b>      | 258857-20-4                                                                                                                            |
| <b>SMILES</b>          | <chem>Cc1ccc2c(c1CO)[C@@](C)(CO)CC2(C)C</chem>                                                                                         |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                        |
