| <b>Catalog Number</b>       | orb2431624                                                                                                                                                                              |
| <b>Category</b>             | Antibodies                                                                                                                                                                              |
| <b>Description</b>          | Phospho-PAK2 (Ser20) Rabbit Polyclonal Antibody (APC-Cy7) is a APC/Cy7 conjugated antibody targeting PAK2. This antibody is suitable for IF. It exhibits reactivity with Mouse samples. |
| <b>Target</b>               | PAK2                                                                                                                                                                                    |
| <b>Clonality</b>            | Polyclonal                                                                                                                                                                              |
| <b>Species/Host</b>         | Rabbit                                                                                                                                                                                  |
| <b>Isotype</b>              | IgG                                                                                                                                                                                     |
| <b>Conjugation</b>          | APC/Cy7                                                                                                                                                                                 |
| <b>Reactivity</b>           | Mouse                                                                                                                                                                                   |
| <b>Predicted Reactivity</b> | Bovine, Canine, Equine, Human, Rabbit, Rat, Sheep                                                                                                                                       |
| <b>Concentration</b>        | 1mg/ml                                                                                                                                                                                  |
| <b>Buffer/Preservatives</b> | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                  |
| <b>Purification</b>         | Affinity purified by Protein A                                                                                                                                                          |
| <b>Immunogen</b>            | KLH conjugated Synthesised phosphopeptide derived from human PAK2 around the phosphorylation site of Ser20 MS(p-S)TI                                                                    |
| <b>Tested applications</b>  | IF                                                                                                                                                                                      |
