

## Product Datasheet

### Human sCD14 (Soluble Cluster of Differentiation14) Quick ELISA Kit (orb2568040)

|                        |                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb2568040                                                                                            |
| <b>Description</b>     | Human sCD14 (Soluble Cluster of Differentiation14) Quick ELISA Kit                                    |
| <b>Reactivity</b>      | Human                                                                                                 |
| <b>Range</b>           | 0.156-10ng/ml                                                                                         |
| <b>Target</b>          | sCD14                                                                                                 |
| <b>Storage</b>         | 2 - 8 °C for 12 months                                                                                |
| <b>Note</b>            | For research use only                                                                                 |
| <b>Sample Types</b>    | Serum, plasma, cell culture supernatant, cell lysate or tissue lysate, other biological fluid samples |
| <b>Assay Time</b>      | 120 minutes                                                                                           |
| <b>Uniprot ID</b>      | <b>P08571</b>                                                                                         |
| <b>Sensitivity</b>     | 0.094ng/ml                                                                                            |
| <b>Expiration Date</b> | Please enquire.                                                                                       |
