

## Product Datasheet

# MDMX/MDM4 Rabbit Polyclonal Antibody (Biotin) (orb2618557)

|                      |                                                                                                                                                                                                        |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number       | orb2618557                                                                                                                                                                                             |
| Category             | Antibodies                                                                                                                                                                                             |
| Description          | MDMX/MDM4 Rabbit Polyclonal Antibody (Biotin)                                                                                                                                                          |
| Target               | Protein Mdm4                                                                                                                                                                                           |
| Clonality            | Polyclonal                                                                                                                                                                                             |
| Species/Host         | Rabbit                                                                                                                                                                                                 |
| Isotype              | Rabbit IgG                                                                                                                                                                                             |
| Conjugation          | Biotin                                                                                                                                                                                                 |
| Reactivity           | Human, Mouse                                                                                                                                                                                           |
| Form/Appearance      | Liquid                                                                                                                                                                                                 |
| Buffer/Preservatives | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                                           |
| Purification         | Immunogen affinity purified.                                                                                                                                                                           |
| Immunogen            | A synthetic peptide corresponding to a sequence at the N-terminus of human MDMX, different from the related mouse sequence by two amino acids, and from the related rat sequence by three amino acids. |
| UniProt ID           | <b>O15151</b>                                                                                                                                                                                          |
| MW                   | 54864 Da                                                                                                                                                                                               |

|                         |                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------|
| <b>Dilution range</b>   | The intended application should be selected according to the customer's experimental requirements. |
| <b>Specificity</b>      | No cross reactivity with other proteins.                                                           |
| <b>Cross Reactivity</b> | No cross-reactivity with other proteins.                                                           |
| <b>Antibody Type</b>    | Primary Antibody                                                                                   |
| <b>Storage</b>          | At -20°C for one year from date of receipt. Avoid repeated freezing and thawing.                   |
| <b>Note</b>             | For research use only                                                                              |
| <b>Expiration Date</b>  | 12 months from date of receipt.                                                                    |
