

## Product Datasheet

### SIP Biosimilar (Expression DD patent Sphingosine-1-phosphate Reference Antibody) (orb2702834)

|                        |                                                                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb2702834                                                                                                                              |
| <b>Category</b>        | Antibodies                                                                                                                              |
| <b>Description</b>     | SIP Biosimilar (Expression DD patent Sphingosine-1-phosphate Reference Antibody)                                                        |
| <b>Clonality</b>       | Monoclonal                                                                                                                              |
| <b>Conjugation</b>     | Unconjugated                                                                                                                            |
| <b>Antibody Type</b>   | Biosimilar Antibody                                                                                                                     |
| <b>Storage</b>         | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles. |
| <b>Note</b>            | For research use only                                                                                                                   |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                         |
