

## Product Datasheet

### Mouse Orexin A (OXA) ELISA Kit (orb2809601)

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>    | orb2809601                                                                                       |
| <b>Category</b>          | Assays and Kits                                                                                  |
| <b>Description</b>       | Mouse Orexin A (OXA) ELISA Kit                                                                   |
| <b>Reactivity</b>        | Mouse                                                                                            |
| <b>UniProt ID</b>        | <b>O55241</b>                                                                                    |
| <b>Application notes</b> | Assay Type: Competitive                                                                          |
| <b>Assay Type</b>        | Competitive                                                                                      |
| <b>Range</b>             | 15.6-1000pg/mL                                                                                   |
| <b>Sensitivity</b>       | 7.2pg/mL                                                                                         |
| <b>Sample Types</b>      | Serum;plasma;tissue homogenates;cell lysates;cell culture supernates and other biological fluids |
| <b>Note</b>              | For research use only                                                                            |
