

## Product Datasheet

### Recombinant Human PIK3C2A Protein, N-His (orb2830928)

|                          |                                                                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>    | orb2830928                                                                                                                                                                |
| <b>Description</b>       | Recombinant Human PIK3C2A Protein, N-His                                                                                                                                  |
| <b>Preservatives</b>     | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                                                                |
| <b>Form/Appearance</b>   | Lyophilized                                                                                                                                                               |
| <b>Storage</b>           | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8°C for frequent use. Store at -20 to -80°C for twelve months from the date of receipt. |
| <b>Tag</b>               | N-His                                                                                                                                                                     |
| <b>Note</b>              | For research use only                                                                                                                                                     |
| <b>Application notes</b> | Reconstitute in sterile water for a stock solution.                                                                                                                       |
| <b>Protein Sequence</b>  | 172-403/1686                                                                                                                                                              |
| <b>Purity</b>            | > 90% as determined by SDS-PAGE.                                                                                                                                          |
| <b>MW</b>                | 28.17 kDa                                                                                                                                                                 |
| <b>Uniprot ID</b>        | <b>O00443</b>                                                                                                                                                             |
| <b>Expiration Date</b>   | 6 months from date of receipt.                                                                                                                                            |
