

## Product Datasheet

### phospho-LIM Kinase 1 (Thr508) Rabbit pAb, Pacific Blue conjugated (orb2873951)

|                            |                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>      | orb2873951                                                                                                                    |
| <b>Description</b>         | phospho-LIM Kinase 1 (Thr508) Rabbit pAb, Pacific Blue conjugated                                                             |
| <b>Species/Host</b>        | Rabbit                                                                                                                        |
| <b>Reactivity</b>          | Rat                                                                                                                           |
| <b>Conjugation</b>         | Pacific Blue                                                                                                                  |
| <b>Tested Applications</b> | IF                                                                                                                            |
| <b>Immunogen</b>           | KLH conjugated synthesised phosphopeptide derived from human LIM Kinase 1 around the phosphorylation site of Thr508 RY(p-T)VV |
| <b>Target</b>              | LIMK1                                                                                                                         |
| <b>Preservatives</b>       | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                        |
| <b>Concentration</b>       | 1mg/ml                                                                                                                        |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles.                                               |
| <b>Note</b>                | For research use only                                                                                                         |
| <b>Isotype</b>             | IgG                                                                                                                           |
| <b>Clonality</b>           | Polyclonal                                                                                                                    |
| <b>Antibody Type</b>       | Primary Antibody                                                                                                              |
| <b>Dilution Range</b>      | IF=1:100-500                                                                                                                  |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                               |
