

## Product Datasheet

### Frizzled 1/Wnt receptor Rabbit pAb, Biotin conjugated (orb2892473)

|                             |                                                                                |
|-----------------------------|--------------------------------------------------------------------------------|
| <b>Catalog Number</b>       | orb2892473                                                                     |
| <b>Category</b>             | Antibodies                                                                     |
| <b>Description</b>          | Frizzled 1/Wnt receptor Rabbit pAb, Biotin conjugated                          |
| <b>Target</b>               | FZD1                                                                           |
| <b>Clonality</b>            | Polyclonal                                                                     |
| <b>Species/Host</b>         | Rabbit                                                                         |
| <b>Isotype</b>              | IgG                                                                            |
| <b>Conjugation</b>          | Biotin                                                                         |
| <b>Reactivity</b>           | Human, Rat                                                                     |
| <b>Predicted Reactivity</b> | Bovine, Canine, Equine, Gallus, Mouse, Porcine                                 |
| <b>Concentration</b>        | 1mg/ml                                                                         |
| <b>Buffer/Preservatives</b> | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.         |
| <b>Purification</b>         | Affinity purified by Protein A                                                 |
| <b>Immunogen</b>            | KLH conjugated synthetic peptide derived from human Frizzled 1 (501-600/647aa) |
| <b>Tested applications</b>  | FC                                                                             |
| <b>Dilution range</b>       | Flow-Cyt=1ug/test                                                              |
| <b>Antibody Type</b>        | Primary Antibody                                                               |
