

## Product Datasheet

### Anti-IkB alpha/NFKBIA Antibody-HRP (6U300) (orb2895974)

|                        |                                                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb2895974                                                                                                                                                                 |
| <b>Description</b>     | Anti-IkB alpha/NFKBIA Antibody-HRP (6U300) is a HRP-conjugated Mouse antibody targeting IkB alpha/NFKBIA. Anti-IkB alpha/NFKBIA Antibody-HRP (6U300) can be used in ELISA. |
| <b>Conjugation</b>     | Unconjugated                                                                                                                                                               |
| <b>Target</b>          | Anti-IkB alpha/NFKBIA Antibody-HRP (6U300)                                                                                                                                 |
| <b>Storage</b>         | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.                                    |
| <b>Note</b>            | For research use only                                                                                                                                                      |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                                                            |
