| <b>Category</b>             | Antibodies                                                                                                                                                                                                                                                        |
| <b>Description</b>          | Anti-Human CD25/IL2RA Antibody (BCFEVX523), FITC is a human monoclonal antibody detecting IL2-RA in FCM. Suitable for Human. Highlights Flow Cytometry: Validated for flow cytometry applications. Fluorescent Label: Direct conjugate for streamlined workflows. |
| <b>Clonality</b>            | Monoclonal                                                                                                                                                                                                                                                        |
| <b>Species/Host</b>         | Human                                                                                                                                                                                                                                                             |
| <b>Isotype</b>              | IgG1, kappa                                                                                                                                                                                                                                                       |
| <b>Conjugation</b>          | FITC                                                                                                                                                                                                                                                              |
| <b>Reactivity</b>           | Human                                                                                                                                                                                                                                                             |
| <b>Form/Appearance</b>      | Liquid                                                                                                                                                                                                                                                            |
| <b>Concentration</b>        | Lot dependent                                                                                                                                                                                                                                                     |
| <b>Buffer/Preservatives</b> | 0.01M PBS, pH 7.4, 0.2% rAlbumin, 0.05% Proclin 300.                                                                                                                                                                                                              |
| <b>UniProt ID</b>           | <b>P01589</b>                                                                                                                                                                                                                                                     |
| <b>Tested applications</b>  | FC                                                                                                                                                                                                                                                                |
| <b>Clone Number</b>         | BCFEVX523                                                                                                                                                                                                                                                         |
| <b>Endotoxins</b>           | Please contact with the lab for this information.                                                                                                                                                                                                                 |
