

## Product Datasheet

# Mouse GDF15 (Growth Differentiation Factor 15) ELISA Kit (orb3131219)

|                 |                                                                                      |
|-----------------|--------------------------------------------------------------------------------------|
| Catalog Number  | orb3131219                                                                           |
| Category        | Assays and Kits                                                                      |
| Description     | Mouse GDF15 (Growth Differentiation Factor 15) ELISA Kit                             |
| Target          | GDF15                                                                                |
| Reactivity      | Mouse                                                                                |
| UniProt ID      | <a href="#">Q9Z0J7</a>                                                               |
| Assay Type      | Sandwich                                                                             |
| Assay Time      | 120 minutes                                                                          |
| Range           | 15.625-1000pg/ml                                                                     |
| Sensitivity     | 9.375pg/ml                                                                           |
| Sample Types    | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples |
| Storage         | 2 - 8 °C for 12 months                                                               |
| Note            | For research use only                                                                |
| Expiration Date | 6 months from date of receipt.                                                       |
