| <b>Catalog Number</b>       | orb3707                                                                                                                                                                                      |
| <b>Category</b>             | Antibodies                                                                                                                                                                                   |
| <b>Description</b>          | Caspase-9 p10 Rabbit Polyclonal Antibody (FITC) is an FITC conjugated antibody targeting CASP9. This antibody is suitable for FC, IF. It exhibits reactivity with Human, Mouse, Rat samples. |
| <b>Target</b>               | CASP9                                                                                                                                                                                        |
| <b>Clonality</b>            | Polyclonal                                                                                                                                                                                   |
| <b>Species/Host</b>         | Rabbit                                                                                                                                                                                       |
| <b>Isotype</b>              | IgG                                                                                                                                                                                          |
| <b>Conjugation</b>          | FITC                                                                                                                                                                                         |
| <b>Reactivity</b>           | Human, Mouse, Rat                                                                                                                                                                            |
| <b>Predicted Reactivity</b> | Bovine, Canine, Equine, Gallus, Porcine, Rabbit                                                                                                                                              |
| <b>Concentration</b>        | 1mg/ml                                                                                                                                                                                       |
| <b>Buffer/Preservatives</b> | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                       |
| <b>Purification</b>         | Affinity purified by Protein A                                                                                                                                                               |
| <b>Immunogen</b>            | KLH conjugated synthetic peptide derived from human caspase-9 subunit p10 (351-416/416aa)                                                                                                    |
| <b>Tested applications</b>  | FC, IF                                                                                                                                                                                       |
