| <b>Category</b>             | Antibodies                                                                                                                                                                                      |
| <b>Description</b>          | This AXIN2 Antibody, FITC conjugated is an FITC polyclonal product. It tagets AXIN2 using a Recombinant Human AXIN2 protein (11-77AA) as the immunogen. Purification: >95%, Protein G purified. |
| <b>Target</b>               | AXIN2                                                                                                                                                                                           |
| <b>Clonality</b>            | Polyclonal                                                                                                                                                                                      |
| <b>Species/Host</b>         | Rabbit                                                                                                                                                                                          |
| <b>Isotype</b>              | IgG                                                                                                                                                                                             |
| <b>Conjugation</b>          | FITC                                                                                                                                                                                            |
| <b>Reactivity</b>           | Human                                                                                                                                                                                           |
| <b>Form/Appearance</b>      | Liquid                                                                                                                                                                                          |
| <b>Buffer/Preservatives</b> | Preservative: 0.03% Proclin 300. Constituents: 50% Glycerol                                                                                                                                     |
| <b>Purification</b>         | >95%, Protein G purified                                                                                                                                                                        |
| <b>Immunogen</b>            | Recombinant Human AXIN2 protein (11-77AA)                                                                                                                                                       |
| <b>UniProt ID</b>           | <b>Q9BRF5</b>                                                                                                                                                                                   |
| <b>Dilution range</b>       | ELISA                                                                                                                                                                                           |
| <b>Storage</b>              | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                   |
| <b>Note</b>                 | For research use only                                                                                                                                                                           |
